given that a certain amount of profit is necessary to amortize the cost of launching the drug and keeping capital in the industry, the loss would have to be made up in some way

healthproject.kz

i now have to stay off my hrt for 8 weeks, im in my 3rd week and the vaginal dryness is awful and im not sleeping well either

telekom-healthcare.com

the problem with going straight to never go back is that it is part of an arc starting with 61 hours
