even remember it had she not died so soon after, but i thought about it again and again after her death

trevihealth.com

staying focused to the most essential tasks of the moment is critically important in a real disaster

physically i feel i still have a way to go as detoxwithdrawal from any dependent medication is hard on your body as it gives you signs that bits missing it

medicinebirdstudio.com

i also tend to have poor coordination and trouble balancing for very short periods
