as moisture stress increases, stomates close and photosynthesis is reduced

early on, I discovered my thyroid function had gone down to almost nothing, but it took a couple months and failed trials before I was able to find a thyroid supplement I could tolerate

chronic pelvic pain (CPP) may be either constant or intermittent pain in the lower abdomen and pelvic area that has been present for six months or more

if you continue to eat these foods, they will create toxins in your digestive system that your body then needs to deal with
